

# Programmatic Trader Assistant (Trainee) – part time BUDAPEST

[Amnet](#) part of [Dentsu Aegis Network](#), one of the largest media agencies, has a fantastic opportunity for final year student who want to secure a career in one of the **fastest growing and in demand** spaces in media.

Our entry-level traders come from various backgrounds, with and without trading experience. They bring qualities such as intellectual curiosity, problem solving skills, determination, and creativity to our client work.

Please, see the descriptions below and if you think you have what it takes and you would like to work in a youthful programmatic team, forward your resume to the email below!

## Job Introduction

This assistant trader role offers you the opportunity to start and develop a career in one of the **fastest growing and in demand** spaces in media.

As an assistant trader you'll work on our biggest clients, you'll develop skills in trading, campaign set up and optimisation to ensure the clients requirements are surpassed.

The role includes **continuous training and development** program. As you develop, your role will reflect this allowing you to continually **progress and grow your career**.

## Role Responsibility

The core responsibility of this position is the efficient and accurate execution of online programmatic campaigns through our programmatic platforms ensuring maximum value and ROI for clients. Fear not, our senior team will be there to help you with everything until you learn to operate individually.

## Ideal Candidate:

**We are looking for a self-starter, numbers-oriented individual who has strong attention to detail.**

Candidates please send your English resume with photo, cover letter and salary requirements to [job.hungary@dentsuaegis.com](mailto:job.hungary@dentsuaegis.com)
